

HTML Media Showcase

Student Information

Name: Ashvi R

Course: Full Stack Development

Topic: HTML Multimedia Elements

About This Project

This project demonstrates the use of HTML multimedia elements. It includes images, audio, video, YouTube video embedding, Google Maps embedding, and PDF embedding using the `<iframe>` tag.

Multimedia Elements Used

- Image (`<img>`)
- Audio (`<audio>`)
- Video (`<video>`)
- YouTube Embed (`<iframe>`)
- Google Maps Embed (`<iframe>`)
- PDF Embed (`<iframe>`)

Objective

The objective of this project is to understand how multimedia content can be integrated into a webpage using HTML5. These elements improve user experience by making websites more interactive and informative.
